

YP Outreach Team Meeting Minutes

Thursday, March 18, 2010 – Noon @ Applebees

Introductions of members.

The Outreach Team will be putting on a Supermarket Sweep gameshow-type event to raise money and non-perishables for the Minot Homeless Coalition as they stock area soup kitchens and food pantries. Miracle Mart–Arrowhead will be hosting the event at their store and has put forward \$500 worth of Our Family products to join with what we raise. The event will be held Thursday, March 25th at 10:00am.

Amanda will make contact with the local soup kitchens and food pantries to find a week during mid-April that we can volunteer. When dates have been selected, we'll send more information to YP members to fill all time slots.

A YP member has stepped forward looking for others to participate on a YP March of Dimes team for the upcoming walk for babies. However, we were unable to put together a team, but will keep this on the list for next year.

Jessica will contact Carla at the Chamber to see if the Project CLEAN stretch from the YMCA along 16th Street Southwest to 31st Avenue Southwest is available. If so, it would be great to encourage families to attend and then meet for lunch at Space Aliens. Sara will contact FMI to see if any incentives would be available for families or members who attended lunch.

We'll continue watching the movie theater schedules to see if a family movie night can be coordinated. We should also consider putting on a New Member Family Event since so many new YP members have joined lately.

Upcoming Team Event:

The next team meeting will be April 15th at noon at Cookies For You.
